## Eastman Helps Refugee Children

Earlier this month, Eastman Dental assisted Mary's Place (<u>www.marysplaceoutreach.org</u>), a local center for refugees from such countries as Haiti, Nepal, Cambodia, and Vietnam. The center helps these refugees become acclimated to the American culture by teaching them English, assisting with life skills, as well as preparing them for school and employment.

retired Special Ed teacher worked with about the same number of 3explained Maria Justice, RN, MSEd., who contacted EIOH Social Worker Lenora Colaruotolo to request educational materials and supplies from Eastman Dental for a dental education session.

Colaruotolo supplied Justice with posters from the American Dental Association, a flip chart showing guidance for pediatric oral hygiene, and bags filled with adult and

grateful to Kathy and Maria for providing oral hygiene instruction and oral health
