

EIOH Social Work and Dentistry Enlighten and Network with 300 Monroe County Providers

programs in Monroe County. Eastman Dental recently participated in the 4th Annual Monroe County Services Fair.

Eastman Dental was one of more than 45 programs spanning 25+ agencies there to help educate the 300 community service providers about the wide variety of programs available to assist children, individuals, and families who live in Monroe County.

... alty services we offer,
the many insurances we accept, and our various locations

... others were relieved to understand
our ability to safely treat women who are pregnant and
who are often turned away from receiving oral health care

Colaruotolo was at the fair along with Dr. Lina Vega, EIOH Community Dentistry faculty, Dr. Merila Atarodi, Pediatric Dentistry resident, Elise Linke-Judge, outreach worker, and Shannon Congdon, Social Work intern. Together they spent the morning discussing oral health care with service providers from preventive service agencies and professionals from community agencies, including the Rochester City School District, Early Childhood Development, Monroe County Health
